TO ALL PEOPLE TO WHOM THESE PRESENTS SHALL COME, GREETING:

KNOW YE, that the undersigned, the HOUSING AUTHORITY OF THE TOWN OF DARIEN, a body corporate and politic, acting in and for itself and any of its departments (hereinafter referred to as the "Grantor"), as the record owner(s) of a certain parcel of land located at and known as 1 Allen O'Neill Drive, Darien, CT 06820, and more particularly described in a certain Quitclaim Deed from the Town of Darien to the Housing Authority of the Town of Darien, which Quitclaim Deed was recorded on the Darien Land Records in Volume 1451 at Page 454 (hereinafter the parcel is referred to as the "Subject Property"), for good and valuable consideration received to their full satisfaction of the TOWN OF DARIEN, a municipal corporation organized and existing under the laws of the State of Connecticut (hereinafter referred to as the "Grantee"), does hereby give, grant, bargain, sell and confirm unto the Grantee, its successors and assigns, these two certain easements over, under, through and upon the portion of said Subject Property depicted and designated on a certain map entitled, "Easements to be Acquired by the Town of Darien from The Housing Authority of Darien", dated September 30, 2019, prepared by Fuss & O'Neill, P.C., which map is to be filed and recorded in the office of the Town Clerk of the town of Darien as map no. _____ D.L.R., and further described as follows:

1. A temporary construction easement over the portion of the Subject Property within the area labelled as "Proposed temporary easement to be acquired from The Housing Authority of Darien 3056 S.F." on map no. _____ of the Darien Land Records (the "Temporary Easement Area"), together with the privilege and right to enter upon the Temporary Easement Area at all reasonable times and to bring in and use upon said premises such machinery and equipment, to be operated by the Grantee, its agents, employs or servants, as may be proper and necessary, to lay out, construct, alter, repair, maintain and inspect certain proposed sidewalk extensions, driveways, curbs, signage and fencing, and related installation materials, appurtenances and connections, through and within the Temporary Easement Area. The temporary construction easement described under this paragraph will be extinguished by the completion of construction and the removal of all temporary appurtenances, construction machinery, and upon the Grantor's receipt of Grantee's written notice of extinguishment.
2. A full and perpetual easement over the portion of the Subject Property as described in Schedule A (the "Permanent Easement Area") attached hereto and made a part hereof, together with the right to the Grantee, its officers, agents, employees, contractors, subcontractors, successors and assigns, to enter upon the Permanent Easement Area at all reasonable times and to bring in and use upon the Permanent Easement Area such machinery and equipment, to be operated by the agents, employees and servants of the Grantee, its successors and assigns, as may be proper and necessary to effectuate the purposes of the grant of this perpetual easement, and to pass and repass over such areas belonging to Grantors as may be reasonably

necessary for the purpose of repairing, inspecting, maintaining, altering, removing or replacing the utility pole guy wire, and related installation materials, appurtenances and connections, through and within the Permanent Easement Area, in such manner and at such times as the Grantee may determine.

The Grantee, its successors and assigns, further covenants and agrees to repair any and all damage to the Subject Property directly attributable to the construction, maintenance or repair of the premises by the Grantee, its duly authorized agents, servants and employees, and to hold harmless the grantors, their heirs and assigns, from any damages or claims resulting from the Grantee's construction, maintenance or repair of or within the Temporary and Permanent Easement Area(s).

The Grantor reserves the right to itself, its heirs, successors and assigns, to use the Subject Property for any lawful purpose and in any lawful manner; provided, however, that no permanent buildings or structures shall be constructed within the Permanent Easement Area, and the Grantor shall convey no interest, right or easement, nor grant any privilege related to the Permanent Easement Area, nor use or enter upon such area in any way that would adversely affect or impair Grantee's full use and enjoyment of the rights and interests in this easement, or that may in any way injure or damage Grantee's materials.

TO HAVE AND TO HOLD, the above-granted temporary and perpetual Easement, privilege and right, with the privileges and appurtenances thereof unto it, which shall run with the land in perpetuity and be binding upon the said Grantor(s) and Grantee, and their respective successors and assigns forever.
