Compiled on July 20, 2008 by photogrammetric methods from other aerial photographs dated April 3, 2008 at a scale of 1" = 300'. Ground Control and Triangulation supplied by James W. Sewall Company and its Connecticut State Plane MADS3 East and vertically MVD08. This map meets National Map Accuracy Standards for 1" = 40' maps with 1' contours. Standard procedure dictates that photogrammetric maps be fieldchecked prior to use. Masses which are obscured by vegetation or physical features, contours and details may only be approximate. Areas of contours represent obscured areas.
