

From the Desk of Beth Paris

Mather Center remains closed until further notice. However staff is available from 9:00-3:00 daily Monday- Friday to answer questions and concerns. For those of you who have given us your email addresses we are sending out notices on Constant Contact to keep you updated. There is also a page of suggested activities, programs and classes that are available to you online.

We know that this does not replace coming into the Center for activities. As the CDC and Governor's recommendations evolve and change we hope to be able to offer a modified use of the Center. Until that time we continue to work on ideas for us all to remain connected. For those with no technological resources please call in – we have some suggestions for you.

I have spoken to many of you over the past few months- I can tell you a phone call, kind word, encouragement and support for one another goes along way. So keep up the good work in remaining connected! We will get through this time with creativity, imagination and good communication!
