Dr. Addley-

Thank you for your email. I will work on putting a formal agreement together.

Thank you again for all that you have been doing for the Darien students during this difficult time!

Jon ... it was nice chatting with you. This email confirms our conversation that I am supportive of your intention to enter into an agreement to have your staff park at the weekends (Nov-Jan) at the Darien Board of Education parking lot.

Sincerely,

Dr. Alan Addley
Superintendent of Schools
