John,

I attach an early draft of next Tuesday's Darien Planning & Zoning Commission agenda.

The packets will be going out to the Commission members at 10am on Friday May 1, so whatever supplemental material you want us to get out to them prior to the meeting, please aim to get it to us by then.

(note that Town Hall will close at noon on Friday).

If you think you need a little more time to pull together additional materials, approvals (ACOE; DEEP; Five Mile River Commission), etc. I'm thinking that it would make sense to continue this to the next available P&Z meeting, which would be May 19.

Certainly if you have the necessary ACOE and DEEP approvals in hand, that would certainly strengthen your position.

Please let me know by Friday 9am whether you want to proceed on May 5, or Push to May 19, since Friday morning is when I will be filing the final agenda with the Darien Town Clerk.
