Jeff:

The Darien Planning & Zoning Commission opened the public hearing on the above referenced dock application for 14 Raymond Street on January 21. The hearing was continued to February 25 to allow the applicant to provide additional evidence/testimony with respect to potential impacts of the structure on flooding and coastal resources raised by the Commission and neighboring property owners. RACE Coastal Engineering has since submitted the attached letter for the record, raising several questions/concerns regarding the structure.

We realize that DEEP issued a license for the dock in September (License #201907997-LISGP); however, we welcome and encourage your comments on the RACE assessment, which would certainly be helpful to the Commission in moving forward with this application.

Please feel free to reach out to me with questions.

Regards,
Fred

Subject: 14 Raymond Street, Darien - Referral

Dear Jeff:

Please see attached submitted materials regarding 14 Raymond Street. A public hearing on this application has been scheduled for on or after January 21, 2020 at 8:00 p.m. in the Darien Town Hall.

Please let me know of any questions or comments you may have on this application by January 14, 2020. If you require additional information, please contact our office.

Regards,
Fred
