Subject: 17 Brush Island Road

Dear Messer's Ginsberg and Doneit:

We reviewed the application per your request and offer the following review comments.

- We note that there was a recent application for the subject site.
- Proposed activity includes additional impervious area that was not considered on the original application.
- Proposed activity includes a fire pit and artificial turf.
- Turf substrate is not defined. Water quality should be the priority of stormwater management and consideration should be given to material being used for turf.
- Private Road - street opening permit not needed.
- No sewer available.

Thanks.

Darren
