Dear Mr. Doneit:

Per your request we offer the following review comments and observations relative to the above captioned land use application.

- **Application.** Application appears to include demolition of existing paving and expansion of paved area to enhance sports court area.
- **Stormwater Management.** Applicant has not submitted stormwater management report. Although application does not include a formal request for a waiver of stormwater management report, applicant proposes an increase of impervious area of less than 1,000 square feet.

Thanks.

Darren
