Re: 22 Seagate Road

Dear Board Members,

The purpose of this letter is to provide our support for the Brennan's application to build a new home next door at 22 Seagate. We have been good neighbors for over 20 years. Debbie and Mike have shared their plans with us. In fact, we have revised our property line, in part to facilitate the building of their new home. We have reviewed the plans, including the boundary fencing and planting, and support them without reservation.

We endorse the Brennan's application and encourage you to approve it.

Regards,

Dean and Kristen Nelson

19 Seagate Road
