Importance: Low

Dear Mr. Ginsberg

Thank you for the opportunity to review and comment on the proposal to make several improvements to the above referenced residential properties which including drainage and stormwater improvements. We have reviewed the application for consistency with the applicable policies of the Connecticut Coastal Management Act (CCMA)[CGS Sections 22a-90 through 22a-112, inclusive] and have not found any inconsistencies in the proposal.

Please be advised that any activities that may impact or occur in tidal wetlands will require a permit from the Land and Water Resources Division.

Thanks, Kristal
