**Subject: 5 North Rd, CAM Application**

Dear Mr. Doneit:

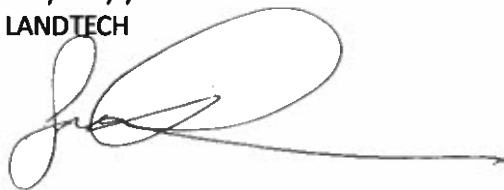

On behalf of our client, we are submitting a CAM application for 5 North Road for the extension of an existing deck on the north east side of the property on the back of the existing house. As discussed there is no fee attached right now in the event that an additional application has to be filed. The surveyor will be updating the survey to include the requested spot elevations which will be submitted as soon as it is complete.

The application and the following documents are attached:

1. 1 original copy of the Town of Darien Planning and Zoning Commission Application form and 9 copies;
2. 10 copies of a letter authorizing LANDTECH to submit this application on behalf of the client;
3. 10 copies of a Coastal Area Management Evaluation for 5 North Road prepared, June 11, 2020 by Tom Ryder of LANDTECH
4. 10x 24x36" copies of the survey for 5 North Road dated May 22, 2012 prepared by Arcamone Land Surveyors.

If you have any questions or require any additional information please contact me on 203-454-2110 EXT 290 or at [scheruk@landtechconsult.com](mailto:scheruk@landtechconsult.com).

Very truly yours  
LANDTECH
