Planning and Zoning Commission,

I have been a resident of Darien for 41 years. I've seen multiple changes in our town all of which I have supported.

I am AGAINST a 7-ELEVEN project moving into what is now Duchess.

Darien prides itself and remains unique in keeping a small town atmosphere, thus no McDonalds, Burger King, 7-ELEVEN.

Bringing in a 7-ELEVEN compromises the integrity of Darien.

Thank you,  
Rita Bailey
