November 23, 2020 GI

Dear Chairman Nedder, Vice-Chairman Williams, Chairman Olvany, Vice Chairman Leahy, First Selectman Stevenson, Chairman Joosten, Commissioner Huffard, Chairman Zagrodzky, and Chairman Geiger:

Prior to the scheduled meeting of the Planning and Zoning Commission on November 24, 2020, we respectfully present to your attention and for the public files of the 7-Eleven Application the 900+ petitions that in addition to the 100+ letters already on file express the community's vehement rejection to the 7-Eleven application in Darien.

The number of amendments and variances filed with P&Z and ARB are a glaring proof of how vastly opposing are the needs of 7-Eleven compared to those of our small town that has managed to survive without a 24/7 business dispensing gasoline and diesel, fast food and potato chips.

The latest memorandum on file (11/19/20) in an attempt to address "operational issues raised by the Commission members" states that "Allowing a 24-hour operation ensures that many in the community who have off-hour needs such as a parent with a sick child, snow plow driver or nurse working an overnight shift" have a convenient in-town option for gas and retail products..." It is obvious that the author of the memorandum assumes needs our community does not have and ignores that Darien quiets down approximately by 10:30PM or earlier with hardly any traffic even on Post Road.

In the same memorandum under "Deliveries" it is stated that "based upon decades of experience and size of the store, the expectation is that there will be **10-15 box truck deliveries and 2 trailer size deliveries per week**" and 7-Eleven anticipates fuel deliveries to be no more than the average of deliveries to other gas stations in the area." an estimation that contradicts logic by comparing 12 fueling stations to the 4-8 and the influx of diverted traffic from I-95.

In our opinion, there are not arguments that remotely could justify placing safety, quality of life, decrease in property values, and loss of investor's confidence, by allowing 7-Eleven or any other franchise of that type to gradually destroy Darien's character.

We will continue to stand together, and aim to reach a much larger number of Darien taxpayers who are still unaware of this petition. We remain vigilant and presume that the trust we have in you to preserve Darien's qualities will prevail.

Respectfully,

**PETITION SIGNATURES**

## COMMENTS

Name	Location	Date	Comment
James Calka	Darien, US	2020-11-16	"I oppose 7 Eleven coming into a already crowded Post Road with 5 gas stations, grocery store, restaurants and another convenient store within a gas station."
Teresa Malvarosa	Darien, CT	2020-11-16	"Darien is a beautiful Suburban town between two urban towns. Inviting a chain like 7-11 is the beginning of the urbanization of Darien. I realize it's on the outskirts but Darien citizens live on the outskirts and should be given the same respect as other citizens in town."
Laura Shaw	Norwalk, CT	2020-11-17	"I live on the Norwalk/Darien border and support many Darien businesses. Besides the Post Road already being jammed with traffic, a 7-11 will invite crime into the area and compete with the other gas stations and stores on the road. I fail to see the benefit to the community."
David Morris	Darien, CT	2020-11-17	"We have more than enough gas stations and convenience stores....  this change is not an enhancement to our community. Please let the existing convenience stores thrive with less competition and work to beautify our little town by bringing in investment dollars that make people want to live here..... not pass through for a big gulp."
Rachel Taylor	Darien, CT	2020-11-17	"This is a terrible idea, which will become a magnet for crime and also a draw for traffic through town. I live on a residential street, which already is used as a thoroughfare for people looking to circumvent 95 traffic. The advent of a 24 hr gas station will only exacerbate this problem. The negatives (noise, traffic, and crime potential) must outweigh whatever cited advantages proponents are pointing to! We cannot and should not support such a misguided plan."

Tonia Barringer	Norwalk, CT	2020-11-17	"This is already a bottle on Rte 1 now. We have so many gas stations and convenience stores already on this stretch of the road! Why increase traffic off of I95 unnecessarily? And we sure don't need  a 24 convenience store/gas station at the border of Norwalk and Darien. You will reduce locals coming into Darien to shop if this is approved."
Beth Jacobs	New York	2020-11-17	"There is already enough congestion, gas stations, and car accidents in that area already. Given the nearby merge to one lane and crossover exit from the highway, it would just make things worse."
Mimi Flynn	darien, CT	2020-11-17	"We do not need a 24 hour gas and convenience store in Darien right off I-95! The rest stops on 95 more than cover gas and snack needs!"
Lou Converse	Darien, US	2020-11-17	"We do not need a another gas and convenience store in town to compete with our local providers. In addition, I would point out the town and those heading by our town are already served on a 24 hour basis by the rest stops that bookend our town on I-95! The added volume of traffic will exacerbate and already chaotic spot

Name	Location	Date	Comment
			on the Post road that spits from 2 lanes to 4 lanes virtually at the entrance to the proposed site."
Lis Steinberg	Darien, CT	2020-11-17	"Exit 9 has a perfectly good rest stop, and I'm worried about unnecessary traffic on our local roads and a potential uptick in crime ."
Sarah Godshaw	Darien, CT	2020-11-18	"There is absolutely no NEED or reason for another c-store in this town. There is a mobil station (900 FEET) across the street and creating this location will lead to more traffic on post road. NO, NO, NO"
Caitlin Whitacre	Darien, CT	2020-11-18	"I'm completely opposed to this utterlly inessential 711 being built in Darien.!"
Stephen Alliegro	Darien, CT	2020-11-18	"It would be dangerous in that location."
Chiara Gilioli	Darien, CT	2020-11-18	"I want to keep Darien safe and pleasant. We already got a car shooting this summer. I cannot support a development that might bring in more violence even if indirectly"
Kate Coyle	Darien, CT	2020-11-18	"Adding a 7-11 will do nothing to foster the Darien community and culture. This is not a business chain or type of business that our town needs and the increased traffic will not benefit our town, community or in-town business. I strongly oppose this project."

Amanda Davenport	Hartford, CT	2020-11-18	"This is right around the corner from my house. It will kill my property values"
David Upson	Darien, CT	2020-11-18	"This is outrageous that this unnecessary project is being proposed with very little information given to the residents of Darien and that it is going to a vote the week of Thanksgiving while no one is paying attention. A very disappointing development for our town. David Upson"
Willow Buscemi	Darien, CT	2020-11-18	"Take a look at I95 exit 9 and exit 12 rest stations that have 12 pumps. From looking at the highway stations, that isn't the right number for an in-town location."
David Upson	Darien, CT	2020-11-18	"This is outrageous that this unnecessary project is being proposed with very little information given to the residents of Darien and that it is going to a vote the week of Thanksgiving while no one is paying attention. A very disappointing development for our town. David Upson"
Ali Kayhan	Darien, CT	2020-11-19	"24/7 is a disaster- crime magnet and not suitable for the town of Darien. Move this up north 20 miles.."
Ali Kayhan	Darien, CT	2020-11-19	"Darien doesn't need a 24/7 store to bring crime and traffic to town. We have plenty of gas stations and don't need 711."
Erika Rodormer	Darien, CT	2020-11-19	"There is already a gas station in the immediate area. There is not a need for more stations or to increase traffic where it often backs up. Our town does not need this. We need to complete the development projects under way before considering more."

Name	Location	Date	Comment
Diana Davis	Geneva, NY	2020-11-19	"Darien is better than this - a 12 pump gas station and convenience store? I thought fuel consumption! Historic Preservationists in Seneca Falls, NY were able to prevent a very old brick factory building and creating a convenience store/gas station like this is more appropriate architecturally and environmentally sensitive proposals. I urge you to reject this type of project. It will be an eyesore in such a lovely community. We enjoy visiting Darien as responsible stewards of the property in Darien. Please protect and preserve the quality of life in Darien."
Michael Chiodo	Stamford, US	2020-11-19	"I don't believe a huge gas station and convenience store belongs in Darien. It is unnecessary at an awkward intersection. I love the small town atmosphere of Darien and a big chunk of its charm is in its small size. Please do not add to the clutter in addition."
Stephanie Hanford	Darien, CT	2020-11-19	"We do not need this in Darien!!!"

Brooke Kennedy	Stamford, CT	2020-11-20	"Brooke Kennedy"
thomas oconnor	ny, NY	2020-11-20	"SAVE DUTCHESS!"
Charles Southey	Manhattan beach, CA	2020-11-20	"Don't ruin the character of this beautiful town with white chain stores."
marta elders	darien, CT	2020-11-21	"I do not believe it is consistent with the character of the town."
doria wosk	miami, FL	2020-11-21	"JUSTICE FOR THE PEOPLE. MAGA"
Thomas Torrillo	Darien, CT	2020-11-21	"This is a terrible idea. There are already enough gas stations in town and two exits unnecessary and will invite more traffic in town which can already be awful when it comes to loitering and late night shenanigans. Does not belong in our town."
David York	Stamford, CT	2020-11-21	"This has the potential to have a major negative impact to the town's quiet, low-traffic business in town as there are an adequate supply of gas stations and grocery stores, rest stops near town. This will add no value to town and only have a negative impact."
Tibby Keane	US	2020-11-22	"Please preserve the charm of Darien. NO need for a 7-11 in my home town of 28 years."
Olga Nikolas	US	2020-11-22	"We are preserving the vibe of this town which is a small coastal New England town with family-owned businesses. Chains like 7/11 do not belong in Darien"
Olga Konykhov	US	2020-11-22	"Say NO to destroying Darien's atmosphere and character! Darien is one of a few remaining towns and we do not need to kill it."

Name	Location	Date	Comment
Maribeth Milne	Darien, CT	2020-11-22	"I am signing because I feel that #1, this has been surreptitiously handled. There is also no need to add an additional, huge gas station, especially a stone's throw from the I-95 station as well as the station that presently exists across the street from this proposal. This will make business more challenging for the existing gas stations. This will only add to the already ridiculously crowded traffic on the post road. The town continues to add additional sources of traffic year after year i.e., Avalon, The Royle housing project to name a few. Each addition that they squeak in adds to the density of traffic that takes away from the small town feel. Also, I object to the fast, junk food type of facility being added to our town. Is there no better alternative to a place offering "7-eleven Slushies" and other junk

food?? We know that the COVID crisis is disproportionately affecting Americans in poor health and with chronic disease and 7-Eleven fast junk food may be a contributing factor. Can't we think of"

dorothy  
friedrich

weston, CT

2020-11-23

"I grew up in Darien. Keep it nice."

Ben Coulter

Fort  
Lauderdale, FL

2020-11-23

"There enough gas stations, and the majority are locally owned. Keep these towns' charm by allowing the local business owners to thrive and be part of the community as they have been!"
