Re: ARB #13 – 2020, Make Modern, 1985 Boston Post Road – New Signage

Dear Mr. Kane,

At the meeting of the Architectural Review Board on July 21, 2020, you were scheduled to appear for a second time to address the signage request at 1985 Boston Post Road for Make Modern. The concerns written in my previous letter have still not been addressed, so we will therefore need to review your application in person at our September meeting once again. In the meantime, we require that the signage currently displayed at 1985 that has not been authorized or permitted, be removed until we can discuss this matter further.

If you have any questions, please contact the Planning and Zoning Office.

Sincerely,

Elizabeth Geiger, Chairman
Darien Architectural Review Board
