Communities 4 Action - one of 13 Regional Action Councils in Connecticut that supports and builds local capacity to strengthen substance abuse/misuse prevention and promote mental health across the lifespan (formerly Lower Fairfield County Regional Action Council (LFCRAC)). www.lfcrac.org

Newport Academy provides residential, intensive outpatient and therapeutic day school programming for adolescents and young adults. www.newportacademy.com

Silver Hill Hospital is a nationally recognized, independent, not-for-profit psychiatric hospital providing treatment for both psychiatric illnesses and addiction for adults and adolescents ages 13 and above. Silver Hill Hospital offers treatment which includes inpatient stays, detox services, transitional living (28 day programs), intensive outpatient programs, and family programs. www.silverhillhospital.org

The Child Guidance Center of Southern Connecticut (CGC) provides a wide range of outpatient mental health services to children and adolescents in Darien, New Canaan, Stamford, and Greenwich. CGC offers a number of ongoing treatment programs and is the regional responder for emergency 211 crisis calls. www.childguidancect.org

Domestic Violence Crisis Center is dedicated to the task of helping you and your children find ways to live your lives in peace, without the threat of violence, intimidation or abuse. We are nearly 50 individuals with years of experience and expertise in the field of domestic violence; we are counselors, educators and attorneys; we advocate for you in the court system and medical community; we offer SafeHouses where victims and their children can be safe while making more permanent plans.
