DIRECTOR OF PUBLIC WORKS

DARREN OUSTAFINE, P.E.
ASSISTANT DIRECTOR OF PUBLIC WORKS

November 2, 2016

To: Area Residents;
Re: Abbey Road, Intervale Road, Stanley Road, Drainage Project,

Dear Resident:

We write to provide you with a status update on the drainage project in your area. To date drainage work has been completed on: Devon Rd (except for a catch basin replacement at the intersection of Chester Rd); Holmes Ave; Rose La; work in private easement; and, a portion of the work on Intervale Rd.

Work continues on: Stanley Rd between intersections of Devon Rd and Intervale Rd; and, Intervale Rd at Intersection of Holmes Ct. Roads in these areas will be closed to through traffic during work hours. The map on reverse side of this letter shows closures and dates. Darien Police or uniformed traffic personnel will remain on site to control and direct traffic. All local traffic will be permitted to and from their residence. Work on Stanley Rd should be completed by the end of next week (11/11/16). Work on Intervale Rd will continue through December. Holmes Ct intersection should be completed by 11/8/16.

Also as illustrated on schematic, remaining work in addition to above is on Abbey Rd and the remainder of Intervale Rd. Our contractor continues to use two separate crews working on this project and may bring in a third crew to assist with paving before winter. This to expedite completion of this long and difficult project. Final restoration to disturbed areas and then resurfacing of roadways, is scheduled to begin in Spring or 2017 and to be completed by the Summer of 2017.

We continue to keep the Darien Board of Education informed with school bus routes or stops maintained. I can be reached at 203-656-7365 or via email at doustafine@darienct.gov. Please feel free to contact me directly should you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Darren Oustafine".

Darren Oustafine, P.E.
Assistant Director of Public Works
