This is the time of year when you should compare plans and make sure you have the right health and prescription drug plan. Premiums change from year to year, as well as co-pays, your prescriptions, and formularies. So, be certain you have the best plan for coverage January 1, 2017. If you find the available choices confusing and need help navigating the [medicare.gov](http://medicare.gov) site, free confidential consultation is available in the Darien Human Service Dept. for Darien residents. Ask for Ali Ramsteck, trained CT CHOICES counselors.
