

**The Darien Registrar of Voters Office Mission Statement:**

To provide the highest level of service to the voters of Darien

**The Darien Registrar of Voters Office is committed to the following goals:**

- Follow Connecticut General Statutes on Elections
- Conduct federal, state, and local elections held in Darien
- Register voters and maintain the voter registration file
- Procure and maintain all suitable polling places and recruit sufficient poll workers
- Provide information to candidates regarding the nomination process
- Provide voter registration information to candidates and campaigns
- Eliminate barriers to participation in the democratic process
- Educate Darien youth as to the importance of the democratic process
- Provide assistance to candidates, proponents and opponents of ballot measures and political jurisdictions in a fair and unbiased manner

**Services provided by the Darien Registrar of Voters Office:**

- Provide proof of registration upon request (for example, for travel or school residency verification)
- Provide procedural guides to candidates and campaigns
- Conduct presentations upon request by schools, civic groups and clubs interested in a "behind-the-scenes" view of elections
- Conduct training for individuals or groups organizing a voter registration drive
- Conduct training for poll workers
- Provide speakers for group functions desiring information about voter registration and the elections process, and becoming a poll worker

**The Darien Registrar of Voters Office believes in the following:**

Respect for individuals, the value of diversity, acting with trust, integrity and professionalism, and operating in an open and effective manner to meet the needs of those we serve, both town officials and the public

**The Darien Registrar of Voter's future plans:**

- To relocate all polling places currently in school locations to new suitable locations for voter access
- To pursue the process for reducing the six Darien voting districts to three or four voting districts creating a more efficient and manageable voting experience
