

Town of Darien Parking Update

The Town of Darien is pleased to introduce a new parking option that will make commuter parking more convenient. New payment options available include paying through your smartphone with an app or by use of a parking lot pay station. Scratch-off vouchers will be an acceptable payment option for daily parking until December 31, 2014 after which they will not be honored. Vouchers will not be sold after August 31, 2014.

PAY FROM THE TRAIN – DOWNLOAD THE APP

The mobile parking app is available through iTunes and Google Play as a free download. Search for “mpay2park” and download to your device.

Transactions are done “on the go” avoiding weather conditions on your mobile device.

- No need to worry about Cash, Coin or Credit Card availability.
- View all transactions from an on line user account.
- Online receipts and secure password login.
- Pay from the comfort of your own vehicle using your personal mobile device.
- User friendly and easy to use.
- Support Call Center

Payment can also be made through a website if you cannot download an app to your device. Users can pay for parking at https://r.mpay2park.com/users/sign_in

How Do I Use the Pay Station?

1

Press any key to begin.

2

Enter your vehicle's license plate number.

3

Follow the directions for amount of time you intend to use.

4

Pay with cash or use a credit/debit card.

Pay-by-App is available from iTunes and Google Play. Search for "mpay2park".
