

Are you media savvy? Join Darien's News Channel, TV 79

You're invited to help Darien's news channel to broadcast meetings of Town government.

Our programming is "gavel to gavel," without editing or commentary. Like C-SPAN and CT-N, TV79 runs coverage that is unbiased and unedited.

You don't know much about running a video camera?

No problem! We'll train you as a camera operator. No TV experience is required. Volunteers can work as little as once a month or as often as several nights a week — whatever time you can commit.

Want to learn TV production?

You can work with community groups creating their own TV shows. For example, the Senior Men's Association will air video of their guest speakers, and we're producing a program about Darien's teen center, The Depot.

Advisory Committee Also Needs Volunteers

We're looking for seasoned professionals with a knowledge of journalism and broadcasting to advise the volunteer staff of TV79 on its operations.

About TV79

Funded by Cablevision subscribers, TV79 gets no taxpayer funds for programming, but Darien graciously provides facilities on the second floor of the Town Hall auditorium. We cover meetings of Town boards and commissions. We also plan to run documentaries and reports on Town events, following the popular "Darien Dateline" TV series in the 1980s and 1990s. But we can't do it without your help!
