

Joint Special Meeting
of
RTM Parks and Recreation Committee
RTM Finance and Budget Committee
RTM Public Works Committee

February 6th, 2018

The meeting was called to order at 7:35 pm by Chairmen Adele Conniff (RTM Parks and Recreation Committee), Jack Davis (RTM Finance and Budget Committee), and Mark Adiletta (RTM Public Works Committee) who presided.

Nine members of the RTM Parks and Recreation Committee were present: Chairman Conniff, Vice-Chair Diane Conologue, Patti Bumgardner, Curtis Butler, Chris Ezbiansky, Phyllis Hawkins, Sue-Ellen Mitchell, Jennifer Moller, and Bill Van Loan

Absent were: Carlo Cantavero, Ken Fiveson, Susanne Handler, Emily McDermott, Andrew Millar, and Cheryl Russell

Kate Buch, Darien Town Administrator, also attended.

Town Administrator Buch gave an overview of the new three-year employee union contract which covers the Department of Public Works as well as other town employees including those employed in the Parks and Recreation Department. This contract covers 32 Darien employees in total.

There were then questions about the new contract from members of the three committees in attendance.

The three committees present then conducted separate votes 'not to reject' the contract that was ratified by the employee union on February 1, 2018.

The Parks and Recreation Committee members voted unanimously 'not to reject' the new contract.

There being no other business, the meeting was adjourned at 8pm.

Respectfully submitted,

Phyllis Hawkins
Clerk
