

RTM PUBLIC HEALTH & SAFETY COMMITTEE
Meeting Notices

Special Meeting Tuesday, Sept. 11, 2012 7:30 pm
Town Hall Auditorium

This meeting is with TGS&A's regular meeting. They will be discussing the ordinance on the plastic bag ban, and they will be voting on that ordinance. We can participate in the meeting discussion after their committee members have spoken. Sarah Seelye is the chairman of TGS&A and will call upon our members. It would be helpful to the meeting to keep our comments succinct and polite. We also need not repeat comments already made.

Our committee members can move to another part of the auditorium for any further discussion, but we cannot take a final vote on the ordinance at a special meeting. However, we can have a sense of the meeting vote to give us guidance for the next official meeting. In the event we have a split vote, we will need to be prepared to speak to that at the RTM meeting.

Regular Meeting
Monday, September 24, 2012 7:15 pm
Town Hall Room 213

AGENDA

Call Meeting to Order

Approve minutes of June 21, 2012

Discuss and vote on the ordinance banning the use of plastic bags
