

RTM Public Works Committee Regular Meeting – April 3, 2018

The Regular Session of Public Works Committee of April 2, 2018 was never called to order as a quorum was not achieved.

PWC Members Present: Monica McNally Mark Adiletta, David Bayne, Britton Costa, Frank Adelman, Rich Aponte

Absent: Derek Lublin, Thomas Moore, James Cameron, Jennifer Montanaro, Mike Wheeler, Scott Zimmerman, Richard Poli, Casey Haverstick

Guests: Ed Gentile (Director of Public Works, Town of Darien)

An informational session was held as the Director of Public Works was scheduled for the evening.

Mark Adiletta announced the Rules Committee had assigned Casey Haverstick of District I to the PWC at its meeting the previous night.

As Ed Gentile was present he provided an informational overview of the operating and capital budget as approved by the BOS. Several line items were noted with the overall year-on-year change being basically flat. A couple office and hallway carpet items were noted as the capital budget. Ed noted the completion of the DPW Garage was still the primary item taking his attention and no big items were added for 2018/19. Ed spoke to the roadway maintenance and ongoing pedestrian infrastructure maintenance as well as expansions tied to the recommendations of the PIAC delivered a few years ago.

Ed shared with the group his experience on a recent visit to the composting operation at the town of Scarsdale, NY with the REAC.

The information session concluded 7:59 p.m.
