

REPRESENTATIVE TOWN MEETING

Darien, Connecticut

Town Government Structure and Administration (TGS&A) Committee

A Special Meeting of the TGS&A Committee will be held on Tuesday September 6, 2016 at 7:30pm in Room 119, Town Hall.

The agenda for the September 6, 2016 Special Meeting will be:

1. Review and discussion of a draft “Blight Ordinance” for further consideration by the committee and other interested parties, prior to submission to the RTM.

2. Adjournment

In prior meetings the committee has reviewed blight ordinances prepared by neighboring municipalities, as well as the ordinance considered (but not passed) by the RTM in 2007. The committee has prepared drafts of key sections of a new ordinance.

At this meeting the committee will recap their prior efforts with reference to a consolidated “working draft” of the complete ordinance. This “working draft” addresses the various concerns that were raised in prior meetings, including matters referred to Town Counsel for advice.

While it is not anticipated that a finished product will be prepared at this meeting, it is possible that an updated “working draft” will be available for consideration by the RTM Rules Committee (9/12/16) for further distribution to the appropriate committees of the RTM, prior to submitting the ordinance to the RTM.

It should be noted that at a Special Meeting, only the topics that have been listed on the agenda may be discussed.

No votes are anticipated

Frank Kemp, Chairman
