

Informational Forum for District VI Constituents

Come learn more about how town government works and meet your RTM representatives.

District VI RTM members invite you to come and learn what town issues are being discussed at RTM meetings and at the various RTM committees as we head into the budget season. We welcome your questions and feedback and encourage you to tell us what's on your mind – what do you think is going well in our town? What are your concerns?

You can check what streets are in District VI by visiting this
