Dear Mrs. Mao:

At its regular meeting held on Tuesday, May 13, 2014 the Darien Board of Education adopted the following resolution:

That, in light of unanticipated and unbudgeted expenses incurred this year to address issues related to the provision of special education services in Darien, the Board of Education requests that the Board of Finance approve a supplemental appropriation to the Board of Education for the 2013-2014 school year in the amount of \$807,000.

Please find attached the budget narrative dated May 12, 2014 and the year-to-date expenditures associated with special education.

We look forward to discussing this information with you at your May 20th meeting.

Your attention and consideration are greatly appreciated.

Very truly yours,

Elizabeth A. Hagerty-Ross
Darien Board of Education Chair
