

Sec. 35. - Commissioners of human services.

The human services commission shall consist of seven (7) commissioners appointed for three-year staggered terms commencing the second Monday in November in the year of appointment.

- (a) The commission shall annually elect a chairman, a vice-chairman and a secretary by a majority vote of its membership.
- (b) No votes or action will be valid unless adopted by affirmative votes of a majority of the commissioners taken during a meeting. The vote of each commissioner shall be noted and recorded.
- (c) The commission shall hold regular monthly meetings except in months when the commissioners determine that no regular meeting need be conducted.

(Amd. of 9-25-2012(3))

Sec. 36. - Powers and duties of the human services commission

The human services commission shall study community human service needs and emerging issues across all ages and income groups, provide a public forum for citizen input, and make recommendations to the human services department and the first selectman.
