

2016 Connecticut State Building Code

The department of Administrative Services, Office of the State Building Inspector in conjunction with the Codes & Standards Committee, is announcing its intent to adopting a new State Building code to be titled the 2016 Connecticut State Building Code. In accordance with the requirements of Public Act 16-215. This Code will adopt the 2012 ICC family of code. The intended adoption is slated for Oct. 1st 2016.

The 2016 Connecticut State Building Code will adopt the following national model codes, as amended in the 2016 Connecticut State Building Code:

2012 International Code Council (ICC) International Building Code

2012 International Code Council (ICC) International Residential Code

2012 International Code Council (ICC) International Existing Building Code

2012 International Code Council (ICC) International Mechanical Code

2012 International Code Council (ICC) International Plumbing Code

2012 International Code Council (ICC) International Energy Conservation Code

2014 National Fire Protection Association 70-National Electrical Code

2009 International Code Council / ANSI A117.1- Accessible Usable Buildings and Facilities

These codes can be viewed on the Department of Administrative Services, Office of the State Building Inspector web page www.ct.gov/dcs/site than go to the office of the State Building Inspector in the left hand column. The free code reader is at the bottom of this page. Or go to the Building Dpt. page under Additional links.
