Your enrollment in the plan is expressly conditioned upon your acceptance of all terms and conditions contained in this enrollment application. If you do not agree to the following terms and conditions, you may not complete your enrollment.

TERMS AND CONDITIONS

As a condition of my and/or my dependents' participation in the plan, and in consideration for the privileges that come from participation in the plan, I hereby agree for myself and/or for my dependents as follows:

I recognize and understand that the plan contracts with physicians and other providers that make up the plan network. I recognize that all physicians and other providers that participate in the plan network are subject to credentialing under applicable State regulations and pursuant to the plan's network credentialing process. I understand that such credentialing includes a review of provider education, training and licensure. However, by participating in the plan I hereby acknowledge and accept that the plan is not a provider of medical services, and I am aware that obtaining or not obtaining medical care involves significant risks such as serious injury and even death. I acknowledge that the credentialing of physicians and other providers does not in any way reduce this risk. I agree to assume all risks and responsibility for, and hold the plan harmless from, any and all claims for damages, including personal injury or death, medical expenses, disability, lost wages, and loss of earning capacity which may be incurred or associated with medical treatment obtained through a participating physician or other provider. I recognize that all physicians and other providers that participate in the plan network are independent contractors and not the plan's employees or agents and are solely responsible for any malpractice, adverse outcomes, or any other claims arising from medical treatment rendered to me and my dependents. I HEREBY AGREE THAT THE PLAN IS NOT RESPONSIBLE NOR LIABLE FOR ANY ADVICE, COURSE OF TREATMENT, DIAGNOSIS OR ANY OTHER INFORMATION, SERVICES OR PRODUCTS THAT I OR MY DEPENDENTS OBTAIN THROUGH A PARTICIPATING NETWORK PHYSICIAN OR OTHER PROVIDER.

(continued on next page)

F. Signature (Continued)

I recognize and understand that the plan does not recommend, endorse or make any representation about the appropriateness or suitability of any specific tests, products, procedures, treatments, services, or opinions. I recognize that the plan, plan documents, and any health and wellness information provided by the plan, are not intended or implied to be a substitute for professional medical advice, diagnosis or treatment. I agree to confirm any medical information obtained from or through the plan with other sources, and will review all information regarding any medical condition or treatment with my physician. I HEREBY AGREE TO NEVER DISREGARD PROFESSIONAL MEDICAL ADVICE OR DELAY SEEKING MEDICAL TREATMENT BECAUSE OF SOMETHING I HAVE READ OR ACCESSED THROUGH THE PLAN.

I confirm that the information I have provided on this form is complete and accurate to the best of my knowledge and belief.

I understand that the health benefit plan that I have selected provides reimbursement for certain medical costs, which are more fully described in the current Certificate of Coverage. I understand there may be instances where treatment decisions made by my physician or me or medical expenses which I have incurred may not be covered by my health benefit plan.

I understand that information collected in connection with administration of the benefit plan may be used to bring to my attention health products or services that might be valuable to me and otherwise as permitted by law. I understand that you may combine that information with other information so that it is no longer individually identifiable and use it for commercial and other purposes.

We are required by Connecticut General Statute 38a-477c to disclose our federal and state medical loss ratio (MLR) at the time of application. The medical loss ratio is defined as the ratio of incurred claims to earned premium for the prior calendar year. In 2013 our state MLR was 74.88%. Our federal MLR was 390.5% for small groups and 88.8% for large groups.

I acknowledge that I have received the "Important Information" statement which is included at the end of this form.

IMPORTANT INFORMATION

In order to make choices about your health care coverage and treatment, we believe that it is important for you to understand how your plan operates and how it may affect you. In an ever-changing environment, the information can never be complete and we urge you to contact us if, after enrollment, your Certificate of Coverage or other materials do not answer your questions. Further information is available at **www.myuhc.com** or at the toll-free Customer Care number located on the back of your identification card or on other plan materials.

1. We do not provide health care services or make treatment decisions. We help finance and/or administer the health benefit plan in which you are enrolled. That means:
   - We make decisions about whether the health benefit plan you chose will reimburse you for care that you may receive.
   - We do not decide what care you need or will receive. You and your provider make those decisions.
2. We may enter into arrangements where another entity carries out some of our duties, but those entities must operate consistently with our commitment to your plan.
3. We may use individually identifiable information about you to identify for you (and you alone) procedures, products, and services that you may find valuable.
4. We contract with networks of physicians and other providers. Our credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.
5. Physicians and other providers in our networks are independent contractors and are not our employees or agents. We do not control nor do we have a right to control your provider's treatment or plan.
6. We may enter into agreements with your physician or other provider to share in the cost savings that our approach may generate. We encourage providers in our network to disclose the nature of those arrangements with you. If they do not, we encourage you to talk to your provider about these arrangements.
7. We encourage physicians and other providers to talk with you about care you or your provider think might be valuable.
8. We will use individually identifiable information about you as permitted by law, including in our operations and in our research. We will use anonymous data for commercial purposes including research.

I (we) authorize the HMO/insurance company(ies) to use this information to determine eligibility for health coverage and eligibility for benefits under an existing policy.

I (we) also authorize the HMO/insurance company(ies) to give this information to its (their) representatives or to any other organization for the reason notified above. I (we) agree that this authorization is valid for 30 months from the date below. I (we) know that I (we) have the right to ask for and to receive a copy of this authorization.
